LATE. SH. SHIV CHARAN AGARWAL

Introduction

Founded in 1984 under the guidance of Late Sh. Shiv Charan Agarwal, and with the hard work and strict supervision of our chairman Sh. Deepak Agarwal, SC Agarwal has become a renowned name in engineering and construction services. Incorporated as a partnership firm in 1997, SCA has expanded its services to provide comprehensive solutions for P-way, buildings, and civil structures.

About Us

SC Agarwal (SCA) is a distinguished Indian incorporated company, known for its local ownership and exceptional expertise in engineering construction and construction project management. Established over 35 years ago, SCA has earned a stellar reputation for delivering superior engineering construction services across diverse sectors, including P-way, civil structures (buildings, PEB, RUB, ROB, earthwork), yards (railways, metros, containers), cement sidings, and power plant sidings.

Our proficiency spans across advanced building technology, civil, and structural engineering enabling us to execute cost-effective and successful projects consistently.

At SCA, we work collaboratively with our clients to translate their dreams into tangible realities. Our comprehensive range of services, coupled with our unwavering commitment to professionalism and integrity, positions us as a leader in the engineering and construction sectors.

Our Vision

We envision to be the regional leader in providing comprehensive construction services.

Our Mission

We aim to be a world-class engineering construction company, offering efficient, affordable, sustainable, and cost-effective services of the highest quality.

Our Values

We are committed to maintaining the highest standards of professionalism, integrity, and a positive attitude. Our focus is on delivery that meets and surpasses expectations while providing prompt and lasting solutions that stand the test of time.

Our Moto

Providing our best effort for developing the nation by the people, for the people, and with the people.

Services Offered

SCA offers a wide range of civil and structural engineering construction services, including:

- PEB
- Earthwork and tracks
- Buildings and electrical
- RUB (Road Under Bridge), ROB (Road Over Bridge), OHE and culverts
- Yards development for railways, metros, ICD, cement plants and power plants
- Reinforced concrete structures
- Construction project planning and management
- Construction project supervision

Our Capacity

Our capacity includes top-of-the-range equipment and machinery, such as:

3 Poclains

5 Backhoes

6 Hydras

5 Trucks

6 Fioris

4 Batching Plants

8 Tractors

4 Hoppers

1 Paver Finisher

2 Grader

2 Roller compactor

Projects Delivered

Why Choose Us?

Experience:

Over 35 years of expertise in P-way and civil works in India.

Quality:

ISO 9001:2015 Quality Management certified.

Safety:

ISO 45001:2018 Occupational Health and Safety certified.

Environmental Commitment:

ISO 14001:2015 Environmental Management System certified.

Comprehensive Services:

From project planning to execution and management, we offer end-to-end solutions.

Client-Centric Approach:

We work closely with clients to ensure projects meet their vision and are completed on time and within budget.

OUR CLIENTELE
